Heaven gained a pretty angel on September 5, 2016 as Letha Mae Cather slipped peacefully from this world following a courageous battle with lung cancer. When Tulsa Chapter members were asked to describe Letha, they used the words brave, true friend, fighter, courageous, NAWIC through and through, passionate. Oh, and shopper! These are all well-earned and much deserved.

Letha was a long-time NAWIC member joining the Tulsa Chapter in 1972. Letha served on the board in several positions, including President. From 1982-1983, Letha served as NAWIC’s Region 7 Director. She loved her NAWIC family dearly and recently received the Distinguished Service Award which was proudly displayed on her bookshelf along with numerous pieces of NAWIC memorabilia spanning some four decades.

Letha was a true NAWICIAN to her core. She attended many APC’s and AMEC’s with her twin sister Lila. Letha was determined to attend AMEC recently in San Antonio while taking a break from her chemo treatments. Friends and family said there was nothing that was going to stop her from attending this event to see many of her long-time NAWIC sisters that she cherished so very much. Thank you to those of you who took a moment to chat with her, she had a blast and we’re so glad she was able to attend her final NAWIC event that meant so much to her.

Thank you Letha. Thank you for all that you did for our Chapter and for the NAWIC organization and for reminding us that you get out of an organization what you put into it. Your unending passion and loyalty to this incredible organization of women in construction is to be admired. We hope to follow your example by daring to move into new horizons.
The Tulsa Chapter would like to thank Dena Rowland for an awesome job that she is doing as Director. There is a lot that goes on behind the scenes that we don't see until the results are presented to each chapter at such events like the Annual Fall Conference. It takes hard work and dedication and the love of NAWIC to make it happen and we appreciate you very much for a job well done.

Tulsa Chapter 76 sends a shout out to the Directors both past and present for your leadership & all of the hard work that it takes to host Annual Fall Conference. We appreciate how hard you have worked to ensure that we will all walk away with the knowledge we need to make the upcoming year successful.
