Becca Wilson, CEO, B.A. B.S, is a graduate of the University of Tulsa. Becca founded Spherexx.com® in 2000, having foreseen the need for Internet technology services especially designed for the Real Estate Property Management industry. Since then Spherexx has provided website development, Internet marketing services, custom programming and software tools for thousands of clients, from small businesses to international manufacturing companies. Through working in the Oil and Gas Industry and serving as Assistant Controller, and Information Technology Director for Case & Associates, Becca offers the unique perspective of problem-solving from extensive financial, marketing, and technological experience.

Becca was chosen by the Institute of Real Estate Management in 2013 as one of the “Women Changing the World of Real Estate Management.” Ms. Wilson has been a guest speaker at the National Multi-Housing Council Conference, Apartment Internet Marketing (AIM) Conferences, and the National Association of Home Builders Pillars Conference. Spherexx.com has supported the National Apartment Association's Suppliers Council and many state and local apartment associations; she has served on the National Mult-Housing Council’s Multifamily Information and Transactions Standards (MITS) committee. In 2014, Becca was awarded the Gold, International Stevie Woman of the Year competition for the Technology - Business and Financial Services category.
Lori Fullbright anchors the 5 pm news each night with Craig Day. She is the station’s crime reporter and in addition to going to crime scenes interviews crime victims, suspected and convicted criminals and law enforcement officers.

Lori has traveled all over the world covering Oklahomans. She went to Iraq, covering Oklahoma soldiers on the war front, flying missions in a Black Hawk. She went to Bosnia to cover the Oklahoma soldiers called up to help with that peacekeeping mission. She went to Spain and Italy and spent time on a warship and aircraft carrier, interviewing the Oklahomans who rescued Captain Scott O'Grady after he was shot down over Bosnia. She went to London to ride with Bobbies on the beat, to see how officers there do police work without guns. Lori was sent to Denver for nearly a year to cover the OKC bombing trials of Timothy McVeigh and Terry Nichols.

She later covered McVeigh’s execution. Lori went to St. Lucia to cover officers hunting for marijuana in the mountains. She also went to Atlanta to cover the bombing at the summer Olympics.

Lori graduated summa cum laude from the University of Missouri-Columbia Journalism School with a broadcast journalism degree and a GPA of 3.98. Before joining the News On 6 team in 1992, Lori worked at three other TV stations; KSPR-TV in Springfield, Missouri, KTVO-TV in Kirksville, Missouri and KOMU-TV in Columbia, Missouri.

Lori won the 2015 Oklahoma Association of Broadcasters award for best investigative reporting for her story on a wedding ring destroyed by the ME’s office and the 2014 OAB award for best news feature for her story on how easy it is for someone to steal purses out of shopping carts.

Lori is a two-time Emmy award winner. One was for her coverage of a house fire that killed five people and the other for her coverage of a Tulsa police officer shot and killed in the line of duty. Her other awards and honors include a Newsie by the Tulsa Press Club for favorite reporter in 2013; best investigative piece awarded by Oklahoma Association of Broadcasters in 2008; an SPJ award for investigative reporting in 2008, the Tulsa Police Department Citizen's Appreciation Award in 2005, Tulsa's Sigma Gamma Rho Status of Women honor in 2005,. She was a Pinnacle Award winner in 2004, presented by the Tulsa Mayor’s Commission on the Status of Women. She was given a Best of Broadcast award for best reporter in 2003 and a KATY Award for her story about a murder suspect who surrendered to her at the News On 6 studios.

Lori has also received the DARE achievement award and FHA/HERO Life Time achievement honor and is a former board member of the International Association of Cold Case Investigators. She’s a former board member of the Citizens Crime Commission that operated the Crime Stoppers and Alert Neighbor programs and is a former member of the Operation Hope Prison Ministry board. In addition, she has taught broadcasting classes at Tulsa Community College as an adjunct professor. Lori speaks to groups all over the state about crime safety.

Lori’s husband, Kevin, runs an Internet company.
Melissa Coon is a State Licensed and Nationally Certified Home Inspector in Oklahoma and owner of The Inspection Connection. Melissa enjoys working with her clients to help them understand the overall condition of their future home or of a home they are selling.

Melissa opened The Inspection Connection in 2005 and is dedicated to informing the public about the value of a home inspection and safety in the home. She requires all inspectors to train to the utmost level of professionalism and expertise and use only state of the art software and equipment.

Melissa has made The Inspection Connection a full-service home inspection company performing standard home inspections, insurance inspections, as well as commercial property inspections. She also offers termite inspection services, well and septic system inspections, sewer scoping, slab duct scoping, swimming pool inspections, and mold testing, air quality testing and water testing. Melissa provides every customer with $15,000 in coverage after the inspection.

Melissa is also a licensed Home Inspection Instructor and currently teaches at Moore-Norman Technology Center and Meridian Technology. Melissa is the Executive Director of the Oklahoma Residential & Commercial Inspection association where she has also served as State and Central Chapter President. Melissa has been a volunteer at Community Action Agency of Oklahoma City since 2006, working to educate new home buyers.

When she is not working, she enjoys painting, reading, sewing and crafting. Melissa also loves to sing and enjoys all genres of music.

Melissa, originally an “Okie from Muskogee”, resides on an acreage in Guthrie where she and her husband, Chuck raised two daughters, Mariah, 26 and Tyler, 21.

Melissa attended the University of Central Oklahoma in Edmond where she received a BA in Criminal Justice and was a member of Delta Zeta Sorority.
For almost 30 years, Michael Redman has represented employers in developing offensive strategies to prevent employment lawsuits through well written policies, training, and independent investigations. When claims do arise, these practices allow employers to present the strongest defense possible. Mr. Redman also represents employers for claims arising under Title VII, Americans With Disabilities Act, Family Medical Leave Act, Fair Labor Standards Act, and state claims involving covenants not to compete, privacy, misappropriation of trade secrets, drug testing, and unfair competition.

UNION PUBLIC SCHOOLS
AFJROTC
Air Force Junior Reserve Officer Training Corps

The objectives of the AFJROTC program are to educate and train high school cadets in citizenship and life skills; promote community service; instill responsibility, character, and self-discipline through character education, and to provide instruction in air and space fundamentals. Enrollment is open to all young people who are in the ninth grade or higher, physically fit, and are citizens or nationals of the United States.

Lt Col. (Ret) Ron McCool, AFJROTC instructor
SMSgt Daniel Snow, AFJROTC instructor

Big Audacious Goal (BAG) or Vision Statement

The association that empowers women to influence the direction of the construction industry.

Core Purpose

To enhance the success of women in the construction industry.

Core Values

Belief on ourselves as women
Perseverance
We Dare to move into new horizons
The Pledge of Allegiance

I pledge allegiance to the flag of the United States of America, and to the republic, for which it stands, one nation under God, indivisible, with liberty and justice for all.

The NAWIC Pledge

As material for the construction of our buildings, I pledge the Ability of my hands, the Agility of my mind, and the Integrity of my heart.

www.nawicsouthcentralregion.org
Kuma Roberts currently serves as the Program Manager for Education at the Tulsa Regional Chamber of Commerce. She is a native Tulsan who graduated from BTW high school and went on to study English and Theatre at the University of Tulsa. Prior to joining the Chamber Kuma worked at Volunteers of America where she developed her desire to continue her work in the realm of social justice and business development.

In her role as program manager she oversees the involvement of the Tulsa business community in the engagement of the local schools districts. She serves on several local boards including: Tulsa Debate League, Leadership Tulsa as well as the Program Committee for LEAD North. She is a proud member of Leadership Tulsa Class 51 and is actively involved with her sorority Zeta Phi Beta Incorporated. Kuma is passionate about education equity, social justice and her community.

As the Executive Director of Small Business at the Tulsa Regional Chamber, Kathy Duck is an advocate for small businesses, helping them connect and engage with peers and resources. Starting her work with small businesses in 2014 with the Chamber, Kathy believes that, while small businesses can be underrepresented, they are poised to make the largest positive impact on our local economy. Taking time to meet with them individually and listening to their daily challenges, Mrs. Duck drives the Chamber’s innovative programs that assist with solutions to small business issues.

Prior to her work with the Tulsa Chamber, Kathy was a Loaned Executive with the Tulsa Area United Way (TAUW) on the 2013 campaign. Working with local schools and the Tulsa County to advocate for TAUW’s partner agencies, Mrs. Duck helped achieve one of the largest campaign overall totals the United Way has seen. Currently, in addition to her work with small businesses, Kathy teaches private flute lessons with students of all ages while playing as adjunct flute for the Tulsa Signature Symphony. She is active on the Big Brothers Big Sisters Resource Board and the Disaster Resilience Business Council. Kathy and her husband Seth, participate in church activities at St. Mary’s Catholic Church and enjoy visiting nearby towns to learn about local history and culture.
Welcome to Spring Forum 2018!

Congratulations on taking Route 66 to Tulsa and to NAWIC's South Central's Spring Forum! This weekend has all of you poised to be in the driver's seat of our Association and Industry and in your Professions!

Director Jimenez and the Tulsa Chapter, et al, have put together quite an impressive program. Consider the breadth of the Workshops, from women's safety and inspections to myth understandings of the law and communication between the generations! That's a well-balanced serving of professional development and industry relevant topics.

PLUS...

It's an exciting time for NAWIC, too! NAWIC leadership is moving and shaking up a lot of things within our association and within our industry! If you haven't made note of what's going on so far, hold on to your hats...this weekend you will be an eye-opener for you. Director Jimenez, along with the next National President (one Ms. Dove Sifers-Putman) and next President-Elect (one Ms. Diane Mike) will avail you to all the accomplishments, the works in progress, and the FUTURE objectives of the National Board!

I encourage you all to challenge yourself: What is driving YOU? What's the route you wish to follow? Are you getting to where you want to go? Further, engage in as many conversations as possible. Remember to listen and be open to hear new perspectives. This is a weekend full of opportunities to map out the answers. Take the wheel and take advantage of that!

Thank you for driving to be better. This is a new day for NAWIC and your part of Her-Story in the making!

See you in Orlando at Annual Conference!

My admiration,

Catherine D. Schoenenberger
NAWIC National President, 2017 – 2018
Making a Measurable Difference

About our National President: For the past 15+ years, Catherine has been the President/Owner of Stay Safe Traffic Products, Inc., a leading supplier of traffic control signs and safety equipment. She is also the President and Founder of the New Hampshire Construction Career Days, Inc., a 501 (3) (c) non-profit organization. Established in 2009, NH CCD celebrated its 9th event in September 2017. Catherine and her committee have allowed (cumulatively) over 8,500 NH high school student to participate in these two ½ day hands-on events each year. She is also a certified Flagger Trainer and Work Zone Safety Instructor.
Catherine and her husband Keith (a Master Craftsman/Cabinet Maker) of nearly 32 years, work and reside in Westford, Massachusetts

NAWIC Resume: Member since 2008 Granite State Chapter #218 (Director, Secretary, VP and President twice); National Member of the Year 2014; Region 14 Director 2014 – 2015; Northeast Director 2015 – 2016; National President-Elect 2016 – 2017; National President 2017 – 2018
Welcome to SCR Forum 2018!

Congratulations on letting your boots scoot on Route 66 to attend the NAWIC South Central Region Forum. The Tulsa OK chapter, Director Jimenez and all those that have helped create this great educational weekend are making a Measurable Difference.

What better place to add to your leadership skills and knowledge in the construction industry. You will have the opportunity to learn from great speakers, a jobsite tour of the Riverspirit Casino & hotel, networking and more. Share this information with your company and members in your chapter.

Borrowing words from President Catherine…it is a new day. Today is the day to step out of your comfort zone. Step up to be a leader in your chapter, a committee chairman or volunteer to help with a committee. What better place to grow than in NAWIC. Make your measurable difference today.

See you at Annual Meeting in Orlando, FL – August 15-18th.

Dove Sifers-Putman
President Elect
We have a lot planned for this Conference, and the host committee has done an amazing job. They’ve been working tirelessly for weeks to ensure that everything is prepared for your benefit, both personally and professionally, not to mention improving your NAWIC benefit.

If you are a First Time attendee at a NAWIC South Central Region event, be sure to attend the meeting on Friday Night, as we’ll introduce you to National and Regional Leaders. You’ll want to get to know them as friends and mentors. They will help you make a measurable difference in your chosen career and in your local NAWIC chapter, no matter what position you currently hold.

The jobsite tour on Friday is sure to be interesting, getting to see “behind the scenes” of the RiverSpirit hotel. I can only imagine how challenging construction was on a riverbank for such a massive structure. I know some of our attendees are making that a top priority. Afterwards, plan to Mix it up at our Friday night Welcome Mixer.

For all of our attendees, all of the speakers on Friday and Saturday were designed to help you “Make a Measurable Difference” in your personal life or professional career. We hope that each speaker’s topic resonates something special for you.

Thank you to all of you who commit your time, energy and gifts to NAWIC and South Central Region. I am blessed to be your South Central Region Director for 2017-2019.

Laurie Jimenez, CBT
SCR Director 2017-2019
ANNUAL FORUM RULES

1. All members shall be seated in the assembly room at least five (5) minutes prior to the opening of each meeting. Smoking is not permitted in the assembly room.

2. All cell phones or pagers should be muted or turned off in the assembly room. If you must answer a call, please remove yourself from the room before you do so.

3. Admission to business meetings shall be by Forum badge only.

4. All voting members in good standing within the region may introduce motions and vote on questions.

5. A member wishing to speak shall go to the microphone, address the presiding officer, be recognized and then give her name and chapter name.

6. Every main motion shall be in writing, signed by the proponent, and given to the presiding officer and Forum secretary immediately following its presentation.

7. No member shall speak more than twice on the same question or longer than two (2) minutes without the consent of the assembly.

8. The presiding officer shall appoint a timekeeper for each meeting. It shall be the duty of the timekeeper to enforce rule number 7.

9. All voting members of the voting region, who are in good standing and present, are entitled to vote on the Forum site for the second succeeding year. Selection of the site shall be by majority vote cast by ballot. In the event that there is only one (1) site proposed for annual regional Forum, a motion may be made by any member to declare that site elected with no written ballot required.

10. All votes shall be cast in person. Ballots shall not be passed along the rows but put directly in a ballot box. The tellers shall count the ballots and present a written report to the presiding officer. The presiding officer shall announce the results of the election. Tally of votes cast in selection of the Forum site will not be read unless called for by a majority vote. A copy of the teller(s) report shall be attached to the Forum minutes and made a part of the permanent records. (See page 3-16)

11. The printed Forum program shall be the order of the day for all meetings at Annual Regional Forum, provided that the presiding officer may make changes from time to time at her discretion.

12. These rules, with the exception of rule 8 may be suspended by two thirds (2/3) vote of the voting body.

NOTE TO NAWIC DIRECTOR: Any deviations from the above rules must be approved by the NAWIC Parliamentarian prior to Forum.

NOTE TO REGISTRATION CHAIRMAN: Use the following procedures for Registration Report.

Janet Robertson is the President & Chief Operating Officer of Coast Concrete Services, based in Lacombe, LA with multiple locations in Louisiana. She is one of the founding members of the company, which was established in 1994. Janet has held Chapter President and Treasurer positions several times, served on or chaired every committee and has been the Chairperson of the Gumbo Cook-off for many years. She is known for her Block Kids expertise and organization. Her chapter considers her an invaluable member and admire. She is a committed leader and a respected member of her community, volunteering with Habitat, Hospice and Alzheimer’s organizations in addition to her NAWIC activities. She and husband, Jon also enjoy being in the Mardi Gras Mystic Krewe of Perseus, attending concerts at every opportunity and travelling around the globe.

Sherran Harris was employed with Empire Construction & Materials in Jenks, OK. Many years later, she would retire from APAC-Oklahoma. Sherran served twice as President of Tulsa Chapter 76. Sherran also served as Treasurer, recording secretary, Corresponding Secretary and Director and served (and is still serving) on numerous Chapter Committees.

Over the years, you could find her roofing garden sheds, hanging drywall and painting for several of the Habitat for Humanity homes the Tulsa Chapter sponsored. Sherran is among the first to raise her hand and volunteer for park clean-up, school playground rehabs, improvements on handicap ramps among other projects – we could always depend on Sherran. But Sherran is perhaps most well-known throughout the Oklahoma and Texas Chapters as the originator of the infamous Versa Undie skits. Versa Undie skits were performed at Forums, Industry Appreciation Night, ABC meetings and companywide safety meetings. No one can sport an oversized pair of men’s underwear like Sherran Harris!!

Having retired from the construction industry, Sherran volunteers her time to help “build” the minds and bodies of physically and mentally challenged children at Tulsa’s Little Lighthouse. Sheeran’s unique sense of humor and spirit-lifting laugh make her so much fun to be around. We are so proud of her 30 year membership with NAWIC and look forward to many more years of making NAWIC memories together.
Phyllis Rambeau

Phyllis served as Chapter 17 president 1988-1989. She has served on several committees through the years, Ways & Means producing funding for continuing education for our chapter members, the Audit Committee keeping the Chapter finances in order and Nominating Committee selecting a slate of officers to keep our Chapter progressive. Phyllis has always been eager to help Chapter 17 grow in any way she could. Back in 2011 Region 5 Annual Forum was held in New Orleans. Phyllis played a large part getting some of the events organized; a "Pub Crawl" and "Cooking School" to name a few. Both a great success. She has attended numerous NAWIC Conventions, Forums and Scholarship events.

Phyllis and her husband, Fred will be celebrating their 50 wedding anniversary this year. They have one son, Fred Jr. Both these gentlemen are most supportive of Phyllis in her NAWIC endeavors.

Phyllis has been in the construction industry for 45 years. She is employed by Woodward Design + Build for the past 15 years. She is the Assistant to the Engineering and Architecture Departments.

Thank you, Phyllis for your dedication and support of the NAWIC Organization always being there for your "Sister Members".

Frances Loyd

Fran Lloyd, is the president of The Woodrose Company

Through the Woodrose Academy, Fran encourages others to incorporate relationships and shares her appreciation for marketing concepts to grow their business and enhance relationships with family and friends.

Frans hobbies are reading, investing, gardening, family history, card sending, and sharing knowledge gained throughout life.
Judy DeWeese spent the last 40 years in NAWIC harvesting opportunities for education, public speaking, personal development, and perfecting her leadership skills. 1978 NAWIC was a launching board for Judy to move from being a member to stepping up to become a committee chair, a director, multiple officers (including chapter president twice), serving as regional director, as national secretary, national vice president, national president elect and finally as national president. Along the way she became a resource for NAWIC members across the nation—willing to listen to problems, issues and dilemmas with an open mind and share her thoughts and experiences. She also many lasting friendships.

Judy retired in 2016 and continues to keep in touch with hundreds of friends she has made over the years. She remains active in NAWIC as much as her health allows.

Soon to be 93 year old Morene Baker has been a member of the Tulsa, Oklahoma Chapter # 76 for 40 years. She first began her NAWIC journey September 1, 1978 and would continue to be a force in the organization for many years to come. She is currently a retired member having retired from Flintco Construction Services – Tulsa, OK. There is not a board position or committee chair that Morene Baker has not volunteered for over her 40 years in the organization. Morene was our first ever Block Kids Chair as well as our first ever Ways and Means Chair for our Annual Pancake breakfast. Both of these events are still going strong in our Chapter thanks to her early initiatives. There was seldom a year within her 40 year membership that she missed either of these events even if it was just to show up and lend her support.

Morene has been a mentor to many of the Tulsa Chapter members, both seasoned and new. Morene is a champion for education within the construction industry and a proud pioneer of the Tulsa Chapters Block Kids Program – two areas she so passionately served and dedicated herself to over the course of her membership. In 1999 Morene received the (Mayors Commission) Pinnacle Award and in 2011 received a Lifetime Volunteer Award from Habitat for Humanity – both of these honors due in part to the endless hours she spent as the Tulsa Chapters Habitat for Humanity Chair and Project Coordinator.

We are proud of Morene and all of her accomplishments both in and outside of NAWIC. We strive to emulate her volunteer spirit and dedication to those programs she felt so strongly about and we thank her for her dedication to the Tulsa Chapter and to The National Association of Women in Construction, an organization that is held so near and dear to her heart.

Violet Castle an upcoming 50th years of service in the Memphis Chapter #13 of the National Association of the Women of Construction. She is known by all as-not-missing-anything, so therefore, do not call her Miss Violet. Violet's love for this organization is not only shown in her longevity, but also in her determination to attend her Regional AFC and FORUM each year. She will find a way to represent our chapter and do it with honor. She has really been one of our chapter's founding members and has carried the values of NAWIC to the new members.

Memphis Chapter #13 is proud to have such a valuable person as Violet Castle among us. We hope she continue to mature in her age (she is 90 yrs. old) to keep representing our chapter.

Rose Marie Pizzolato has been a member of the Baton Rouge Chapter No. 6 since September 1, 1958 and is a Life Member of our chapter. She has held numerous positions in our chapter including Chapter President and has worked on many committees. She is our official chapter photographer and her most enjoyable photography task is taking pictures for our Block Kids contest. The Baton Rouge Chapter has always supported Habitat for Humanity, especially the women build home, and Rose has always enjoyed working with us on that project. Rose is very active in her community and works on a lot of projects with her church. The Baton Rouge Chapter appreciates Rose's commitment to our Chapter.

Spring is finally here!!! We have so many events that the committees have been working hard for. We wrapped up WIC Week with a bang. We had a meet and greet at Top Golf, a meet and greet at ASCO Equipment and a build for Habitat for Humanity. All three were great events. Our Annual Golf Tournament is April 30 and we have a sold out tournament. The ladies have been working hard. “The Ruffolution” Walk is well underway. We have a website set up for registration. Come join us for some fun. You can find us at www.theruffolution.com or Instagram or facebook.

The next few months are very important to our Chapter. This month we presented the slate of candidates for the 2018-2019 Chapter year. Chapter voting will be June 2018.

May is going to be a big one!!! We have invited everyone in the region to the event to come see our keynote speaker. We have the one and only, Aimee Cohen. Come join us for our monthly Business Meeting 5/17/18.

July is Industry Appreciation!!! It is such a good night with recognizing all those that contributed to our causes. We will have Andy Taft with Downtown Fort Worth Inc.

Sincerely,

Shelie Gaffron, President
Fort Worth Chapter #1
Hello everyone and welcome to the South Central Region 2018 Forum!

The Dallas Chapter theme this year is “Empowerment Through Education” and our PD&E Committee Chairperson, Kelly Van Winkle has created some wonderful educational meeting programs from Risk Assessment, Employment Law Practices to Resume Building. Our WIC Week Chairperson, Jill Melancon put together a fantastic week full of a variety of workshops, tours and social events - all with great attendance. Our Marketing Chairperson is a techy-guru and has completely revamped the Chapter Website making it more modern and relevant to our growing membership. And…speaking of membership, our Membership Committee Co-Chairs, Kevyn Gunn and Jennifer VanBreda have worked especially hard this year and the Dallas Chapter Membership at last report was 80 Members Strong! Great Job! Now they are working on our annual Chapter Mixer where we hope to bring more women to NAWIC. Our Community Service Chair and Corresponding Secretary, Laurel Wesson has brought so many opportunities to the Chapter to give back, and she is at this moment organizing our second Girls Construction Day with a Block Kids facet included. We had such a great time with this last year, and look forward to the new group of young ladies this year.

Last but certainly not least, our Golf Tournament Committee has been hard at work organizing the Dallas Chapter’s 25th Annual Golf Classic – WOW! Deenie Kurtz and Ann McCullough have worked tirelessly getting the very special event organized – it’s going to be a very special day for all.

Kim Gibbons
Dallas Chapter #2
President 2017-2018
It’s a great time to be in Houston!

What a fantastic WIC Week we had! We had a beautiful day for our 5K walk in Memorial Park. We raised over $500 for She Is A CEO!

Fluor was again so gracious to host our Lunch and Learn. Top Golf is always a great time. We hit the streets and visited several local area construction companies. We found several potential members. I am sure they will join in the very near future. Then we ended it all with a Crawfish Boil!

This month, we will be joined by Johnte’ Archer, founder of She IS A CEO. She will share her wisdom, ideas and suggestions for us to become our own Entrepreneurs. We are truly looking forward to this.

Our May meeting will be our awards ceremony for the Houston Chapter CAD competition winners. We are so proud of Pareena Trochesset and Fluor for continuing this competition. For the 2nd year in a row, we had almost 30 participants. This is very exciting and so proud of this accomplishment.

We are excited to see everyone next month in Tulsa for Forum. We know they have a good time and great information in store for us. And then, Orlando...here we come!

Tracy Shoemaker
President – Houston Chapter 3
Greetings from the Corpus Christi Chapter! We have had an awesome year. We attended the ASCE meeting in January to discuss our entering the Canstruction competition. The theme was “Coastal Living”. We built Rock the Crab, but, alas, we did not win. I would like to thank our Engineer Member Jenna Clayton for chairing this event.

We held our Block Kids Competition at the end of January. It was very successful. I would like to thank Darlene Lee, CCA, CIT, CRRL and Teresa Smith for chairing this event.

We had a fun and wonderful WIC Week. We added in some fun Chapter activities this year so it was a lot busier.

Our CAD competition came to a close and we will be honoring them at our next meeting to give out the Chapter awards and have the students present their projects to us.

I hope everyone has a great forum and we would like to thank the Tulsa Chapter for hosting it.

Lisa
Lisa Huerta
Corpus Christi Chapter #4
President’s Report – April 2018 – FORUM – Tulsa, OK
Submitted by: Taryn Ritchie, President Austin Chapter #7

We want to start with THANK YOU to the Tulsa Chapter for hosting Forum this year! We are ready to Boot Scoot! Our Chapter is growing in leaps and bounds, and in 2018 we have already added 10 new members.

With the help of our fabulous Board and amazing Committee and Chapter members we are Making a Measurable Difference this term and below are just a few key highlights:

- November - Productivity Strategy Talk and Discussion - Steve Kahle - Graywolf Workflow - Chapter Meeting
- December - Toy Drive for Dell Children’s Hospital; Holiday Party
- January – Block Kids Event; Organization & Wellness Speakers - Chapter Meeting; Dress for Success Clothing Drive
- February – UT Girl Day - Introduce a Girl to Engineering – Room Event Host, Super Golf Tower; Financial Advisor Speaker - Chapter Meeting
- March – WIC Week events: Sassy’s So Shacky – DIY Sign Build & Paint, Kendra Scott Gives Back ($555 raised for our scholarship fund), Yoga Happy Hour, Flintco hosted a jobsite tour at 70 Rainey St. with the Crockett HS Construction Technology Students & NAWIC members, Central Texas Food Bank Volunteer Event (cleaned and sorted 3,000 lbs. of food = 2,500 meals), We are Blood – Blood Drive; several companies submitted for NAWIC Safety Excellence Award
- April – Dove Tile Project for The Refuge Ranch a facility for DMST survivors of sex trafficking, that will offer hope and healing, rest and restoration - Chapter Meeting

And here are a few things that we have planned to continue making a difference for the rest of the term:

- May – Safety Experts Panel - Emphasis on OSHA National Initiative “Safe + Sound” - Chapter Meeting
- June – Membership Drive / Casino Cruise Recruitment event – June 21, 2018; Announce Chapter Safety Award Winner
- July – Award $9,000 in Scholarships - Chapter Meeting, 1st Annual Clay Shoot benefitting our Scholarship fund - July 20, 2018
- September – Golf Tournament benefitting our Scholarship fund – September 18, 2018

www.nawicsouthcentralregion.org
San Antonio, Chapter #11

“Making a Measurable Difference”

The San Antonio Chapter has had many events that has made a measurable difference on the community and its members. The amazing ladies of this Chapter continue to display their dedication, leadership and commitment to this organization through the worthy events described below.

GIRL SCOUT TROOP 300

The Chapter coordinated an event with Girl Scout Troop 300 to assist them to build 10 Little Libraries – bringing the number constructed to 94 – and closer to their goal of 300 goal. The Little Libraries will be placed throughout the San Antonio community to spread the spirit reading.

BLOCK KIDS

In November, the amazing ladies from our Chapter organized a tremendously successful and fun Block Kids Event at James Madison Elementary. That day we made a difference in each of these young kid’s lives as we open their eyes to new career possibilities in the construction industry. The kids embraced the challenge of building the project and enjoyed learning about the various opportunities there are in construction.

WREATHS ACROSS AMERICA

San Antonio is also known as Military City USA. There is a strong military presence here and many of our members have connections to the military. It was only natural for our members to honor the fallen in the December by participating in the Wreaths Across America. Our chapter rallied together to donate 64 wreaths and several members worked to place the wreath on the graves. This was a very worthy event, as it’s important to remember those who have paid the ultimate price for the freedoms we enjoy each day.

GOLF TOURNAMENT

In March, as part of our WIC Week events, the members work together to achieve a very successful golf tournament. The funds raised from the golf tournament provides the means for the Chapter to make even more measurable differences throughout the year. With this year success we have increased the amount of funds available for scholarships for youth pursuing careers in the construction industry. Our chapter was very excited about this, as we are paying forward to even a greater degree. Our first recipient has been selected and will be awarded the scholarship during Industry Appreciation Night.

BURGER BASH

This year is our first annual Burger Bash! The participants will bring their best burgers to compete for bragging rights – all while raising more funds for our scholarship program. The event will take place in June and we can’t wait.

LUNCH AND LEARNS

Our Professional Development Chair implemented the lunch and learn program this year. The events are usually held on Fridays. The members have enjoyed the opportunity to learn more about leadership, time management and relevant other topics selected by the members. These events are truly examples of the measurable difference our Chapter has made and continues to make in our community and our members’ lives.
CHAPTER RECAP

Unfortunately we started off the year with challenges brought on by your typical Arkansas weather. That darn storm caused us to cancel our meeting! So we picked back up on February 20th where we hosted our monthly membership meeting at the Arkansas Construction Trades Academy in North Little Rock. Mark Mize, one of our ACTA’s apprenticeship instructors went over residential electrical best practices. After his presentation, we toured ACTA’s electrical lab and members got to ask all types of questions! On March 20th, our meeting was hosted at BXS Insurance in Little Rock where our very own Chapter President, Lindsay Wolf with Nabholz Environmental gave a great presentation titled: Asbestos 101. Thank you Lindsay for going above and beyond your leadership duties to educate our members! On April 17th, we had our meeting was hosted at Nabholz in Little Rock. This meeting had a rather serious program, one that caused a lot of good discussion. Beth Goodrich, Ex. Director of the Arkansas Coalition Against Domestic Violence, facilitated an activity called Domestic Violence Comings & Goings. Attendees were asked to respond to situations as if they were the victim of domestic abuse. This activity was to shed some light on how difficult it can be to get out of a domestic abuse situation. This is an issue that many are uncomfortable talking about but it was comforting to do with a group of NAWIC members. Everyone learned something and walked away feeling better equipped to help someone in an abuse situation. After the program, we took a moment to honor Dana Lumpkin with Arkansas Aggregates as our WIC Rookie of the Year! Due to a prior obligation, she was not able to attend the bosses luncheon during WIC week so we were thankful to get the opportunity to honor her property! Congratulations Dana!

WELCOME NEW MEMBER!
Jamie Ellis
ACE Glass

VALENTINE’S DAY DANCE FOR ASD

On February 12th, we hosted another successful Valentine’s Day Dance for the Arkansas School for the Deaf! We had so much fun spoiling these kids and all of them left with a full goodie bag of treats! Special thanks to the following companies for sponsoring this great event: VCC Construction, Nabholz, Car-son Construction, and Arkansas Aggregates. Spacial thanks to Furrish Electric for donating ridget spinners for every student! And of course, spacial thanks to everyone who donated goodie bag items or volunteered!

ABC CRAWFISH BOIL RAFFLE

Raffle at the ABC Crawfish Boil on March 16, 2017. This was held at the Darragh Company in Little Rock. We had a huge turnout, with Donations for the Raffle made by: Crain Automotive – GoPro Camera with Bow/Gun attachment; Moix Carpets – Yeti Coolers; Conway Glass – Case of Wine. We raised over $1,600.00 and with that were able to give a $1,000.00 Scholarship to UALR.

WIC WEEK

We celebrated WIC week in a variety of ways this year. On Monday, March 12th, we hosted our bosses luncheon at Cantino Laredo in Little Rock. There were recognized Laura Mullenax with Moix Carpets as our WIC of the Year! Congratulations Laura, it is well deserved! We included our crawfish boil raffle in our festivities and we helped raise money for NAWIC’s UALR Scholarship fund! In the spirit of community service, we hosted a donation drive for the Women’s Shelter of Central Arkansas. Members donated stamps, cleaning supplies, and monetary donations to help the clients at the shelter who are victims of domestic abuse. On social media, we highlighted various members of our chapter, promoting their bios so our followers can learn more about who represents our membership. Due to scheduling conflicts, we are scheduling the Governor’s Proclamation for later in the year so stay tuned for details on that!
Waco Chapter #14 President’s Report
Forum 2018 in Tulsa, OK

We started the year off right by getting two new members who immediately became very active in our chapter. Amie works for Knife River and Eliza is a graduate of the Skillpoint Alliance HVAC Class and works for Capstone Mechanical.

Several of our members attended AFC in Memphis. We got to meet the members of the Oklahoma City Chapter who had a large turnout. It was good to see that chapter revived with many young members who will continue to make that chapter great again.

Our members donated to the Enrich Seniors charity for our Christmas project and delivered meals on Thanksgiving and Christmas. We had our Christmas party at a member’s house and had a great time getting to know each other better.

The Block Kids Contest was held the last Saturday in January and even though we had a small group, the kids are looking forward to coming back again next year.

Our WIC Week was a success. At our meeting at the Winery, we had 8 guests and some are going to attend our April meeting. Some of the guests said they were interested in joining.

We volunteered at Esther’s Closet for women who need clothes for job interviews.

The chapter worked with Skillpoint Alliance and attended their #HardHattedWomen social event which is an initiative to gain awareness and interest for women currently working (and aspiring to work) in the skilled trades industry. Two of our members were interviewed by a local tv station. [http://www.kwtx.com/content/news/Women-in-construction-industry-build-numbers--476340083.html](http://www.kwtx.com/content/news/Women-in-construction-industry-build-numbers--476340083.html)

We plan on working with them again next year.

In June we will have another get-together at 1-35 Prime on the patio and hopefully get some more new members from that event.

We will have three members attend Forum in Tulsa and that chapter always plans a great educational and entertaining meeting. See you in Tulsa.
NEW ORLEANS, CHAPTER 17

Chapter 17 achieved a great start to the 2018 year! In the first 4 months we have completed very successful Block Kids and WIC Week events! In addition, we have tried to incorporate interesting and educational presentations at our dinner meetings. We look forward as well to spotlighting some of our newer members and their organizations during our upcoming meetings!

We are making a call to arms for the remainder of the year! We are presently planning and gathering donations for our always-successful scholarship BINGO event, which will be held in July. This even supports our Chapter’s ability to award multiple scholarships to worthy students in construction-related programs in the local and near-by communities. If you are planning to be in New Orleans in July, please let us know — and be prepared to yell BINGO!

Again, as stated at AFC, Chapter 17 looks forward to working with everyone in the South Central Region to offer and accept pearls of wisdom, spread pearls of joy, and revel in our Chapter, region, and industry success! Best wishes to all!
April 20, 2018

SUBJECT: 2018 South Central Region Forum – Chapter President’s Report

Dear NAWIC Sisters:

It has been an exciting year so far for our Shreveport- Bossier City Chapter No. 20. Following are some of the highlights from our chapter and our goal is to continue to grow our membership:

MEMBERSHIP: We began the 2017-18 year with 11 renewals (5 Active Members + 6 Corporate members)

PROFESSIONAL DEVELOPMENT & EDUCATION (PD&E):

- September 2017: Installation of 2017-18 Officers and Directors at Silver Starr Grille, Bossier City, LA
- December 2017: Christmas Party & HOPE for the Homeless Collection at Ralph’s & Kacoos, Bossier City, LA
- January 2018: Business Meeting at Cantina Laredo, Shreveport, LA
- February 2018: Guest Speaker, Yolanda Price-Mitchell (Woman Speak) at Silver Starr Grille, Shreveport, LA
- April 2018: Business Meeting Franks Pizza Shreveport, La.

WIC WEEK (March4-10)

- Wednesday, March 7: Lunch Reception: Glennwood Tea Room Shreveport, La.

CADDIO CAREER & TECHNOLOGY CENTER FOUNDATION SCHOLARSHIP: NAWIC – Shreveport-Bossier Chapter No. 20 and Fire Tech Systems, Inc. co-sponsored a $2,000 scholarship which was presented by Ida Henderson and Ellen Ballard at CCTC’s annual scholarship awards ceremony held on April 19, 2018 to Katelyn Martin, a senior student from Captain Shreve High School who completed the First Responder/Medical area of study.

Sincerely,

Ida Henderson, President
National Association of Women in Construction (NAWIC)
Shreveport-Bossier Chapter No. 20
MAKING A MEASURABLE DIFFERENCE

It is hard to believe that we are already in May, the 8th month of our year. We have been blessed to welcome 8 new members to our team. We started our year with 13 members and presently have 21. We would love to end our year with 25 – 30 members.

We have had and have planned some awesome speakers that enhance our knowledge of issues that are pertinent to the ladies of our chapter and guest. Our March speaker was with Homeland Security and spoke on “Active Shooter”. This month it will be an attorney and he will present “Sexual Harassment, Discrimination and Civil Rights Claims”. Then our May meeting will be a fun meeting “Painting with a Twist”. We would also like to have a Wine & Cheese Social.

April 10th and 11th our chapter will participate in Pathways 2 Careers sponsored by MCEF - Mississippi Construction Education. During the two days we will have 2,000 students in the 8th Grade come through, with many participating in racing to put safety gear on correctly at booth we are sponsoring. We have begun plans for our Annual Golf Tournament and participation in the ABC of Mississippi’s Wounded Warrior BBQ. They along with AGC are great supporters of our Chapter. We hope to continue networking with both organizations to promote awareness of NAWIC in the community.

I encourage each of you to get involved in our Chapter. If you have ideas for Speakers or know people to come and speak with our group, please contact me. We want to strive to have a Speaker at most meetings. Always feel free to make suggestions that you feel will benefit our group.

I hope to see each of you in Tulsa, Oklahoma for our Region Forum. The ladies in Tulsa and Laurie Jiminez, South Region Director, have worked hard to put together a great event which will be informative, as well as fun. I look forward to seeing each of you in Tulsa.

In closing I want to thank each of you for your support and help this year. It takes all of us working together to build a great chapter.

Lita M. Pickle

Jackson MS Chapter #28

www.nawicsouthcentralregion.org
My report is going to be a little different than normal. I want to give a huge shout out to the following members for making sure that Forum 2018 was a huge success.

Tulsa Chapter Forum Committee- Polly Bennett, Kasey Baumann, Joani Kelly, Kem Maher, Sherran Harris, Judy Chrissman, Janie Kleibert and Margo Camp

Regional Director- Laurie Jimenez

Support- Jennifer Vandreda, Jessica Huff & Martha Simpson

It takes a team to make sure that everything goes as planned and I could not have done this without each and every one of you doing what you did to ensure the same. YOU ROCK and thank you all very much!!!!!!!!!!!!!!!!!!!!!!!

Marla Carter

Tulsa Chapter 76 President
BEHIND EVERY SUCCESSFUL woman IS A TRIBE OF OTHER successful WOMEN, WHO HAVE her back.

OBJECTIVE FOR 2018
To push for Individual & Chapter Growth!
My ladies are actively exploring fresh new ways to promote our organization within the local community.

PREVIOUS CHAPTER EVENTS

WIC Week 2018 Project – STEM Event, Girl Scout Style
This was our first event like this, but we would love to have more, especially for older girls, like junior high and high school aged girls. Girl Scouts as an organization has an emphasis on STEM activities, with many new badges in robotics, coding, etc. The girls spent the day at Camp Wahi and learned mechanical engineering principles by participating in hands-on design challenges. While having fun and learning the girls also had the opportunity to earn 3 badges!

Scholarships
We have expanded our scholarship program to all Public School Career Technical Programs in the Southern part of Mississippi.

CAD
We are thrilled that this was our first year to have a participant from the coast to enter into the CAD contest this year. We have finally found a school that offers classes on the CAD program and the teacher was excited for his class to participate. Our chapter winner is a junior and we could tell she put a lot of time and effort into her project. We are already looking forward to next year’s project.

NAWIC GOLF CLASSIC
THE OAKS GOLF CLUB - PASS CHRISTIAN, MS
We are in full swing preparing for our annual Golf Classic on October 19th.
Our group is fortunate to have such a successful event each year.
It’s all hands on deck for this event.

UPCOMING CHAPTER EVENTS

Hilti – Silica Seminar | April 26th | Roy Anderson Corp
CRASE TRAINING | May 23rd | Roy Anderson Corp
Jobsite Tour | June 28th | Island View Casino Addition
Summer Social | July | TBD
Navigating Multiple Generations | August | TBD
2018-2019 Officer Installation | September | TBD

Make a Measurable Difference Each Day
LAURIE PARKER

It has been a very busy year for everyone personally but in traditional Northshore style we pull together as a team to keep things moving! Our year started by reviewing and updating all necessary standing rules, bylaws and Secretary of State listings to keep everything current.

We moved dates for a couple of our annual events this year. Block Kids was held in October (2017) instead of the normal January/February time frame. Although our participation was low, the enthusiasm was higher than ever. We had a great response from social media after the event that peaked the interest of several people for next year. The Gumbo Cook-Off committee, along with our partners is in the process of revamping the schedule to move the event to the fall in lieu of the 1st quarter of the year.

The new year kicked off with a very encouraging Seminar on “Goal Setting” to motivate each of us to start our year on the right track both personally and professionally.

We had a jam packed WIC Week with activities starting on Sunday at noon and wrapping up on Friday evening.

April’s Membership Business Meeting reviewed chapter actions to date as well as discuss plans for the remainder of the year. It also enabled us to present to members the advantages that NEF has to offer each of us. We plan to have a tour of the Parish Clerk of Courts Office in May; June will be “hands on” making a multi-light pendant fixture from family treasures of cypress and mason jars.

The MOST exciting news I can share with you is our membership! We are so very happy to announce our new members this year. Veda Redman of Interior Exterior Building Supply (who is growing with her company by leaps and bounds); Lee Ann Cosgrove-Independent Financial Advisor (who has been a “visitor” over the years and we finally hooked); Brittanie Heaney of Sherwin Williams (who brings us a contagious youth and enthusiasm); and June Atkinson, Construction Lending Manager with Hancock Whitney Bank (who is a returning member after several years away and she couldn’t live without us). We are honored that they chose to be a part of our chapter!

When Women Support Each Other, Incredible Things Happen
Welcome Spring

Oklahoma City Chapter #383
2017-2018

Off to a Great start the Oklahoma City Chapter has proudly achieved so much, we have come together to complete several events as a chapter such as our first forum participation, our first block kids and some Christmas community service.
Welcome to NAWIC Spring Forum 2018.

NEF is hard at work to continue with the mission in educating the construction industry today...and tomorrow.

Peggy Newquist, NEF Trustee, held NEF’s first webinar on Estimating and Scheduling Practitioner (ESP) on April 12, 2018 at noon via a NAWIC webinar. If you joined this webinar and interested in this course, you will want to take advantage of the discount plus take the exam at NAWIC Annual Conference.

NEF’s ESP textbook and exam is on sale until May 31, 2018 for $199.00 with free shipping. Send an email to NEF today and order your book and reserve a seat for the prep course and exam at Annual Conference in Orlando, Florida on August 15th from noon to 5pm. Seats are limited so don’t delay.

Starting in April, in order to learn about all NEF has to offer, look for NEF’s New Newsletter which will be emailed monthly. Check your inbox for more details.

If you have not taken any of our adult education programs you are missing out on a great opportunity to further advance our career. These courses are all available now at www.nef-edu.org and are as follows:

- Construction Bookkeeping Technician (CBT)
- Construction Document Technician (CDT)
- Construction Industry Specialist (CIS)
- Construction Industry Technician (CIT)
- Estimating and Scheduling Practitioner (ESP)
- Certified Construction Associate (CCA) is currently under construction

NEF’s Construction Dictionary is an invaluable reference tool and a MUST-have; go to our website www.nef-edu.org and purchase your copy today.

NEF’s Board of Trustees and Executive Committee is always working hard to bring you the best educational programs for enrichment of your career in the Construction industry.

Sincerely,

Sue-Ellen
Sue-Ellen Stoddard, CIT
2017-2018 NEF President
The 2017-2018 NAWIC year is almost over and we couldn’t be happier with our progress towards making a measurable difference for NAWIC though marketing and membership. We want to encourage everyone to please submit your Marketing and Membership contest entries by July 13th 2018 to prmarketing@nawic.com.

The M&M committees have worked hard on our bi-monthly conference calls and we believe they have been a great success. Thank you to all the ladies who have made a presence on these calls. Your feedback has been greatly appreciated. We have two conference calls left before AMEC and I hope you all make the effort to join us on them. Marketing and Membership should not be left to just the committees, whether it’s at the national, local or chapter levels we are all representatives for NAWIC. We pride ourselves on the relationships that NAWIC allows us and we should share that with others as much as possible.

Below are the instructions and information on the M&M Contest that will be awarded at AMEC 2018.

**SPONSORSHIP CONTEST**

*How to Win:* Be the chapter with the most growth in sponsorships over a 1 year span.

*How to Enter:* Send in you: treasurers report showing growth over 1 year span along with a short summary about how your chapter accomplished the growth in sponsorships!

**EVENT CONTEST**

*How to Win:* Hold an event BIGGER than anyone else!

*How to Enter:* Turn in any documentation on how many people were in attendance at your Event and tell us in the email a little bit about the event you held.

*Examples:* Guest List, RSVP list, Registration

**SOCIAL MEDIA CONTEST**

*How to Win:* Have more interaction on a FACEBOOK POST than any other chapter.

*How to Enter:* Turn in your “Facebook Insights” that shows the past interaction data. This can be checked back through 180 Days. Please turn in 2 posts entries so that we have a tie breaker!

Last but not least we would like to thank our amazing Committee Chairs for their hard work and dedication for 2 years. Victoria (Marketing) Jillian (Membership) are two of our future leaders in NAWIC and have only begun to share their ideas and talents with us. These ladies put in their time and effort to push NAWIC to achieve new heights through 2016-2018 years. THANK YOU BOTH!

2017-2018 Marketing: Chair: Victoria Kurczyn – Pittsburgh, PA, North Central Region

Co-Chair: Jessica Huff – Jackson, MS, South Central Region

2017-2018 Membership: Chair: Jillian Penkin – Gr Rochester, NY, Northeast Region

Co-Chair: Kelsey Holt – Boston, MA, Northeast Region
NEF Block Kids 2017-2018
Committee Report

The South Central Region had an amazing year this year! We had great participation from the Chapters in our Region. The Block Kids events are a lot of work and I would like to thank you all for your dedication and participation. The submissions were fantastic. Choosing the winners was not easy.

A big thank you to Laurie Jimenez for allowing me to be the SCR Block Kids 2017-2018 Committee Chair.

The South Central Region winners will be announced at Forum. I look forward to seeing you all there.

Sincerely,

Debbie Parker
Debbie Parker, Dallas Chapter #2
South Central Region  
NEF Design/Drafting Competition

All I can say is “South Central Region Rocks!” This was a banner year for our participation in the NEF Design/Drafting Competition. Here are the numbers:

- **Fort Worth Chapter #1**: 15, Co-chairs Corrie Hood and Francine Hawkins-Alegh (high school including one hand-drafted entry)
- **Houston Chapter #3**: 28, Chairman Preena Trochesset (high school)
- **Corpus Christi Chapter #4**: 4, Chairman Lisa Huerta (high school)
- **Mississippi Gulf Coast Chapter #256**: 1, Chairman Mary Brumley (high school)
- **Oklahoma City Chapter #383**: 3, Chairman Angela Troncoso (1 high school, 2 college)

Total Participants: 51

Another interesting fact is that there was a 13 point spread between first, second and third place winners. I would like to note there are no losers in this competition…the students who participated gained insight into NAWIC and the construction industry that they will carry throughout their careers, hopefully in construction. It is our responsibility to continue to mentor and nurture these young people because they are our future.

The NAWIC Education Foundation is doing great things to continue to educate and motivate us all to realize our goals and to help us bring future generations into our industry. We have a responsibility to do all we can to support NEF now and in the years to come.

It has been my pleasure to chair this committee. Special thanks to all the chapters who gave tirelessly of their time to make this competition a success.

Respectfully submitted,

[Signature]
Julia Campbell
2017-2018 Region Chairman
Fort Worth Chapter #1
Hello SCR!!

This year we’ve combined forces with PR/Marketing committee to help spread the word about NAWIC. Jessica Huff said it best the more we share our news, accomplishments, and plans the more we will spark interest in our wonderful association.

How do I do that you may ask? Well, does your Chapter have a Facebook page? Twitter account? Are you sharing information with your local newspaper? These are great avenues to help promote your Chapter and help build your membership. You can also find great membership and marketing tools on National’s website under the Member Center.

I know all our efforts are working, as of March, SCR had a total of 564 members. Let’s continue to promote NAWIC and gain members.

Congratulations to the following chapters who have met and/or exceeded their total membership from 2017:

Austin #7
Memphis #13
Jackson #28
Northshore #339
Oklahoma City #383

Lastly, if you haven’t already, like our SCR Facebook page and promote your Chapter activities.

Sincerely,

Toni Osberry
We enjoyed a very successful WIC Week in 2018, thank you to each chapter for their amazing efforts in making this such a wonderful event. Our region did a fantastic job promoting, educating and celebrating the women in our industry!

We had two primary goals for the 2018 WIC Week. First, talk about WIC Week all year! We were asked to use Social Media to highlight Women in Construction all year long. Chapters were encouraged to highlight a woman in our chapters doing great things and promote her on Social Media using NAWIC Facebook or use #WICWeek2018. Second, work to get 100% participation of all Chapters. We were encouraged to set small commitments and make them count!

Suggestions to encourage full participation included wearing a pin and post a picture, buy a poster and put it in your office, go to lunch with your NAWIC sisters, and include WIC Week in your email signature. All NAWIC Chapters were to turn in commitment forms and recap forms.

The Regional contest was geared toward promoting our presence on social media. Using a Facebook NAWIC Promo Post as the basis of our contest was a great way to not only raise awareness about NAWIC, but to build our social media presence, which is a National goal. Each SCR Chapter was challenged to create a flyer/image that could include items such as facts about women in construction, quotes from members about why they like working in construction, upcoming NAWIC events, highlights or successes in a Chapter, or whatever they might wish to promote! The contest winner was determined by which Chapter’s flyer post was SHARED (not liked) the most during WIC Week. Along with the post, Chapters were encouraged to film Live Videos on Facebook. Each Live Video counted as 5 shares in the contest. We enjoyed seeing everyone’s posts and how word spread so quickly! Overall, it was a successful contest and it helped us increase our presence on a digital platform.

We were very impressed and excited by the number of events our Chapters hosted. Here are some highlights:

- Bosses Lunch
- Woman’s Shelter Donation Drive
- Member Highlights on Facebook
- 5K Walk/Run
- Lunch & Learns
- Top Golf Golf Outing and Silent Auction
- Crawfish Boil
- DIY Build & Paint Class
- Kendra Scott Gives Back 20%
- Yoga Happy Hour
- Job Site Tours
- Blood Drive
- Educational Programs (intro to project management, CAD, HVAC/Electrical/Carpentry, Materials)
- Day at the Races
- STEM Program for the Girl Scouts

We applaud every Chapter for their efforts, and several Chapters gained new members as a result!
PDE FOR YOU AND ME Forum 2018 report

Christine Barnhill Tramel, PDE South Central Region 2017-2018

The University of Management and Technology notes the use of the phrase "professional development" from 1857 onwards. 161 years!! Do you think the philosophy works judging by its' longevity?

It was the onset of the training, and the belief for the need of professional development of school staff in the United States that pushed the concept to the forefront in the 1960's.

Individuals who pursue PD&E often have a desire for career longevity and personal growth, and they are, therefore, willing to undergo the necessary training to obtain these goals.

PDE is not only a benefit to members, it provides an answer to employers’ question of value from their perspective.

Lindsey Baronich, with Roy Anderson Corp and the Ms. Gulf Coast chapter says “DON’T LET THE INFO AND RESOURCES AVAILABLE TO YOU GO TO WASTE!!”

YOU CAN BE A GO-GETTER, NOT A QUITTER -Personal Decision for Excellence (PDE)

Success, more than anything, is an attitude you carry about yourself and your life. We are all capable of confidence, of having it all, losing it all and gaining it back again and again. It is tempting to give up and claim defeat when the chips are down. Fear and frustration are the two emotions most responsible for quitting. We must learn to bear both if we are to reach the levels of success we desire. Being a go-getter is something that will wax and wane throughout your career, so it is wise to DECIDE to view it as a virtue to be practiced rather than something to be mastered in a single decision. WHAT WILL YOU DECIDE?
SUMMARY OF ACTIONS

- APPROVED minutes of the 2017 Post-Annual Board of Directors Meeting as printed
- ACCEPTED Audit Report as printed.
- APPROVED to move investment accounts in accordance to the schedule made by the Finance Committee
- APPOINTED Investment Task Force.
- ACCEPTED the Chapter Status report as updated.
- APPROVED renaming of Young Professionals committee to Emerging Professionals committee.
- APPOINTED Red Rose Recruiter criteria section Task Force.
- ACCEPTED National Awards Task Force report.
- RETIRED National Awards Task Force.
- ACCEPTED Volunteer Work Reduction Task Force report as amended.
- APPOINTED Pilot Chapter Leadership Task Force.
- ACCEPTED Strategic Plan report as amended.
- RETIRED Strategic Plan Membership Benefits Task Force.
- ADOPTED the 2017 – 2018 Midyear Budget as amended.
- REVIEWED the 2017 – 2018 YTD Financials as printed.
- RETIRED the Website Task Force.

Cell – 608-444-0531 OR Office – 972-501-6905

Elect Anne Pfleger, CIT

NAWIC is an association where women can professionally develop in a “safe” all-female environment. This inspires me! This drives my desire, strengthens my commitment to serve as your National Vice-President.

Vice-President

 Proven leader and supporter of all things NAWIC
 Active listener
 Collaborator accomplishing NAWIC’s objectives
 Attentive to details
 Thinks outside the box and finds the solution
 Proactive and challenging to the status-quo
 Energized to get the job done!

Industry colleague for the past 20 years ~ NAWIC member since 2006 ~ National Board since 2014

When you receive your ballot...let your voice be heard...show your support...VOTE
As you grow older, You will discover that you have two hands—
One for helping yourself, and the other for helping others.

Thank you to all the ladies that work hard to make this organization great!
If you want to be more involved at the regional or national level please let Laurie Jimenez know.
