#### President's Message:

Our speaker for our February meeting was Della Ryberg with Enrich Seniors and she told us about the organization and how they want to help seniors get rides to the doctor's office, home improvements and other things. Unfortunately she told us a few days later that Enrich Seniors would be dissolving the end of February due to Della not being able to do it by herself anymore.

We had Tricia Capps with Lochridge-Priest, Inc. as a guest at our February meeting. She donated some items for the goody bags for our Block Kids contest. We hope Tricia will attend our Wic Week Activities.

Glynn Swanner had knee replacement surgery and is back to work part time. We hope she is back running races soon.

Pat Breen's brother, Marc, had to have surgery after all and hopefully they fixed the problem because he had been sick for a while. Also Pat Breen is recovering from pneumonia. She was able to make it to our board meeting.

#### Our schedule for WIC Week is as follows:

**Tuesday, March 6th** General Meeting at Waco Winery, 708 Austin Ave.

**Wednesday, March 7th** from 4-6 pm—Esther's Closet, 1020 Elm Ave, Bldg 700, Waco. We will organize back room and put up shelving for clothing storage.

Esther's Closet vision statement is to equip and transform women to move them from poverty to self-sufficiency.

Mallory and Dawn will be hosting a meeting for women interested in the construction trades. They are located in the Barron's Branch Apartments, 817 Colcord, Waco.

Eliza with Capstone Mechanical has Construction Barbie and she will be helping in the shop.
