A Message from the President:

Laurie Parker

SUCCESS

*To laugh often and much;
To win the respect of intelligent people
and the affection of children;
To earn the appreciation of honest critics
and endure the betrayal of false friends;
To appreciate beauty, to find the best in others;
To leave the world a bit better,
whether by a healthy child,
a garden patch or a redeemed social condition;
To know even one life has breathed easier
because you have lived.
This is to have succeeded.
– Bessie Stanley*

We are all guilty of “sweating the small stuff”. I challenge each of you to take a moment; yes, STOP what you are doing right NOW. Close your eyes, take a deep breath. Do it again, inhaling and exhaling very slowly. Now, SMILE. You are a powerful, beautiful, courageous person. Reflect for just a moment of all of the things you have to be grateful for, even the small stuff!

Slow down every day in this hectic world we live in to smile, be grateful, meditate, listen to uplifting music, show an act of kindness (to someone who deserves it AND someone who is eligible for grump of the day). Acts of kindness benefit the giver, the receiver, and everyone they encounter.

Wishing you all a very Blessed Spring!

We Can *MAKE A MEASURABLE DIFFERENCE!*

SMART GOAL SETTING SEMINAR

Most people waste energy when not focused on goals that will translate a vision into an action plan.

January 27, 2018 the Northshore chapter sponsored a goal setting seminar open to members and the public, that would provide tools to establish SMART goals and teach attendees tools to help turn their goals into projects, tasks and ACHIEVEMENTS.

Andrea Picou, owner of “On Your Business Coaching” and a Goldman Sachs 10K Small Business Faculty member was an excellent teacher! She challenged us to consider our thinking process and how effective we are at achieving our goals. She then led us thru working on our goals, establishing the values that guide our decisions, strategizing and systematizing our business and personal lives.

YOU CAN ALWAYS TELL WHO THE STRONG WOMEN ARE. THEY ARE THE ONES YOU SEE BUILDING EACH OTHER UP, INSTEAD OF TEARING EACH OTHER DOWN.
